EXPERIENCE

01

JUNIOR APPLICATION DEVELOPER
INTEGRATED COMPUTER SYSTEMS, INC.
January 5, 2021 – July 5, 2021

A probationary position that involves system analysis and design, development, maintenance and troubleshooting of new and existing application program, performance of users training, web landing pages, web design, and database maintenance.

02

APPLICATION DEVELOPMENT INTERN
INTEGRATED COMPUTER SYSTEMS, INC.
January 2020 – March 25, 2020

The company where I rendered my 300 hours On-The-Job training requirement as part of my course requirements. I was assigned creating Server Monitoring System in Laravel with .NET as a middleware, rebuilding .NET application for sending texts.

03

SERVICE CREW
JOLLIBEE - ASTURIAS
August 10, 2016 – September 30, 2018

I worked inside the kitchen area where I clean, cook, and assemble foods for the customer. We always make sure that the food we made are safe by consistently checking the highest standard procedure by our team leader and manager and we are still calm even with a numerous customer.

EDUCATION

01

INFORMATION AND COMMUNICATION TECHNOLOGY
POLYTECHNIC UNIVERSITY OF THE PHILIPPINES
2017 – 2020

"The Country's 1st Polytechnic U" as a tagline of PUP. Despite of the minimal facilities and small classrooms with 1:45 teacher-student ratio, PUP and our college give their best to help us be ready in IT field industry when we graduate.
